

Lifeguard Cleaner Disinfectant Trigger

Cleaner and disinfectant trigger.

Description

No rinse ready to use cleaner and disinfectant with Neutrafresh technology.

Key properties

Professionally formulated for fast and effective cleaning, Lifeguard Cleaner & Disinfectant trigger can be used on all hard washable surfaces, including painted walls, woodwork, vinyl, plastic, porcelain and ceramic, leaving them hygienically clean.

With its powerful combination of cleaning agents and disinfectant, Lifeguard Cleaner & Disinfectant easily removes dirt and washroom soilage whilst also killing and preventing reproduction of bacteria which cause food poisoning, gastric disorders and wound infections.

The Neutrafresh molecules combine with and trap the nitrogen and sulphur compounds in the malodour. Remaining Neutrafresh molecules create a fresh, long-lasting fragrance, providing a constant reminder that surfaces are clean and safe.

Benefits

- Simple no rinse formula – just spray on and wipe off.
- Ideal for use on basins, baths, tiles and toilets.
- Safe to use on all washroom surfaces and fittings.
- Cleans and disinfects in one operation – 99.99% germ kill.
- Leaves surfaces with a pleasant fresh fragrance.

Use instructions

1. Protect hands with suitable gloves and wash after use.
2. Unscrew the cap, attach the trigger spray and switch the trigger nozzle to the 'on' position.
3. Spray directly onto the surface to be cleaned.
4. Leave for 20 seconds and then wipe away with a damp cloth.
5. Ensure that the surface is wiped completely.
6. After use, turn the nozzle to the 'off' position and store until required again.

Technical data

Appearance:	Clear colourless liquid
pH:	12.0
Shelf life:	24 months
Dilution:	Ready to use

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Store in original closed containers away from extreme temperatures. Avoid contact with skin and eyes. Do not mix with any other chemicals other than as advised by your Diversey representative.

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet.

Lifeguard Cleaner Disinfectant Trigger
