

Marine White Deicing Salt

SECTION 1 Identification of the substance/mixture and supplier

1.1. Product identification

Commercial name Marine White De-icing Salt

1.2. Relevant identified uses for the substance or mixture and unadvised uses

Use Salt for highway winter maintenance

1.3. Information concerning supplier

Company identification J C Peacock & Co Ltd
North Harbour
Ayr
KA8 8AE
Tel: 01292 292000 Fax: 01292 292001
Email: info@peacocksalt.co.uk

1.4. Number to call in the event of an emergency

Emergency tel no (UK 999) (EU 112)

SECTION 2 Hazards identification

2.1. Classification of the substance or mixture

This preparation has not been regulated according to the European directives 67/548/CEE and/or 1999/45/CE and the regulation 1272/2008 CLP, their adaptations and their annexes.

EC classification 67/548 or EC 1999/45

Classification Not classified

Hazard class and category code(s), Regulation (EC) N° 1272/2008 (CLP)

Not Classified

Marine White Deicing Salt

2.2. Labelling

EC 1272/2008 (CLP) Labelling Regulations

Hazard labelling This product is not subject to regulation according to the European directives 67/548/CEE and/or 1999/45/CE and the regulation 1272/2008 CLP, their adaptations and their annexes.

2.3. Other hazards

Other undesirable health effects

Possible minor irritation after prolonged contact due to the sodium chloride.
In large quantities, possible slight irritation of the respiratory passage due to the sodium chloride

SECTION 3 Ingredient composition/information

Substance/Mixture This product is a substance.

Primary ingredient: Sodium chloride
EINECS Number: 231-598-3
CAS Number: 7647-14-5
Molecular formula: NaCl
Molecular mass: 58.44g

Additives: Sodium decahydrate hexacyanoferrate
(if the product is treated with an anti-caking agent)

Known hazardous ingredients: None.

SECTION 4 First aid

4.1. Description of first aid measures

-Inhalation In case of dust inhalation, take the victim out into fresh air and lay them down. Call for medical assistance in case of respiratory difficulties.
- Contact with skin Wash in lots of water.
Ask for medical assistance in case of irritation.

Marine White Deicing Salt

- **Contact with the eyes** Rinse immediately with lots of water. Consult an ophthalmologist if irritation occurs
- **Ingestion** If the person is conscious, give him or her a glass of water. Do not attempt to induce vomiting without prior instruction.
Consult medical assistance in the event of major ingestion.

4.2. Principal symptoms and effects, acute and long-lasting

No information/data available

4.3. Indication of potential immediate medical help and specific treatment necessary

No information/data available.

SECTION 5 Firefighting measures

5.1. Extinguishing media

- **Appropriate extinguishing agents** All extinguishing agents are suitable in case of fire in proximity to the product.

5.2. Specific hazards arising from the substance or mixture

- Dangerously combustible products** Exposed to high temperatures and in large quantities, the product may release dangerous decomposition products such as carbon monoxide and dioxide.

5.3. Advice to fire-fighters

Special protective equipment for fire-fighters

Wear breathing apparatus appropriate to the premises and to the risks associated with nearby products.

SECTION 6 Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

- Individual precautions** Avoid contact with the eyes
Personal protection: see section 8.

Marine White Deicing Salt

6.2. Environmental precautions

Environmental precautions Do not dispose of in natural waterways, drains or onto the ground.

6.3. Confinement and cleaning methods and material

Cleaning methods Recuperate the spilt product and place in an appropriate container.
Rinse abundantly with water.

6.4. Reference to other sections

None necessary

SECTION 7 Handling and storage

7.1. Precautions to take for safe handling

Handling Personal protection: see section 8
Avoid contact with the eyes.
Under no circumstances eat, drink or smoke in the workplace.

7.2. Necessary conditions for safe storage, taking into account potential incompatibilities

Storage Store this product in a cool, dry place
It is recommended to use salt-resistant materials for machines, installations and constructions.

7.3. Specific end uses

Salt for highway winter maintenance

SECTION 8 Exposure control/personal protection

8.1. Control parameters

Professional exposure limits Workplace Exposure Limits (UK HSE EH40)
Long Term Exposure Limit (8hr time weighted average)
Total Inhalable Dust: 10 mg/m³
Respirable Dust: 4 mg/m³

Marine White Deicing Salt

8.2. Exposure control

- **Respiratory protection** Wear a breathing apparatus while working in the presence of a high level of airborne NaCl particles. Anti-aerosol/dust filters type P1 (in compliance with the standard EN143).

- **Hand protection** Neoprene or nitrile type gloves, in compliance with the standard EN374). In case of repeated or prolonged skin contact, it is advisable to wear gloves.

- **Eye protection** Eye protection is recommended in case of excessive dust generation. Safety goggles (in compliance with the standard EN 166).

- Industrial hygiene** Wash your hands after working with the product.

SECTION 9 Physical and chemical properties

9.1. Information on basic physical and chemical properties

Physical state at 20°C:	Crystalline powder. Agglomerated or non-agglomerated crystals in granules or tablets
Colour:	White.
Odour:	Odourless.
pH:	In an aqueous solution at 100g/l: 6.7-9.0.
Fusion point [°C]:	801.
Boiling point [°C]:	Not applicable.
Flash point [°C] (see):	Not applicable.
Rate of evaporation:	Not applicable.
Inflammability (solid, gas):	Not combustible.
Explosivity limit:	Not applicable.
Vapour pressure [20°C]:	Not applicable.
Relative vapour density (air=1):	Not applicable.
Density:	In a saturated solution at 20°C: 1.2.
Water solubility:	35.85g % g water.
Log P (octanol/water) at 20°C:	Not applicable.
Self-combustion temperature [°C]:	No data available.
Decomposition point [°C]:	No data available.
Viscosity:	Not applicable.
Explosivity:	Non-explosive.

JC PEACOCK & COMPANY LTD, NORTH HARBOUR, AYR, KA8 8AE – TEL 01292 292 000 – FAX 01292 292 001

Important Note: The information contained in this document is given in good faith and is to the best of suppliers Knowledge correct at the date of publication, but it is for the users to satisfy themselves of the suitability of the product for their purpose.

Marine White Deicing Salt

Combustive properties:

Not combusive.

9.2. Other information

Relative humidity at equilibrium at 20°C: 75.3%.

SECTION 10 Stability and reactivity

10.1 Reactivity

No information/data available.

10.2. Chemical stability

The product is chemically stable.

10.3. Possibility of dangerous reactions

Not subject to dangerous reactions.

10.4. Conditions to avoid

See section 7.

10.5. Incompatible materials

Oxidizing agents, strong acids, strong bases.

10.6. Hazardous decomposition products

In case of fire: see section 5.

SECTION 11 Toxicological information

11.1. Information on toxicological effects

Acute toxicity

No known toxicity, LD50: 3.75g/kg (oral, rat).

Chronic toxicity

The components are not included in the list of carcinogenic, mutagenic or teratogenic substances classified by the EU.
No potential long term health effect is to be considered.

Information on the probable means of exposure

- Inhalation

In large quantities, the dust can cause irritation to the respiratory passages due to the sodium chloride.

- Contact with the eyes

Possible slight irritation upon prolonged contact due to the sodium

Marine White Deicing Salt

chloride.

- Contact with the skin Possible slight irritation upon prolonged contact due to the sodium chloride.

- Ingestion No risk for normal use.

SECTION 12 Ecological information

12.1. Toxicity

About the product Do not dispose of in natural waterways, drains or onto the ground.

Ecotoxic effects Toxicity regarding:
 - Water fleas: C.L. 50-24h: 4.800mg/l
 - Fish – Zebra-fish: C.L. 50-24h: 9.000mg/l

12.2 Persistence and degradability

No information/data available.

Biodegradability No data available

12.3. Bioaccumulation potential

Not bioaccumulable.

12.4. Soil mobility

Has an influence on the surface of plants (metabolic disturbance) and on the soil (mineral imbalance).

12.5. PBT and VPVB evaluation results

No information/data available.

12.6 Other harmful effects

No information/data available.

SECTION 13 Disposal considerations

13.1. Waste treatment methods

General points Destroy in compliance with local/national safety regulations in force.

Product waste disposal Disposal should be in accordance with local, state or national legislation

JC PEACOCK & COMPANY LTD, NORTH HARBOUR, AYR, KA8 8AE – TEL 01292 292 000 – FAX 01292 292 001

Important Note: The information contained in this document is given in good faith and is to the best of suppliers Knowledge correct at the date of publication, but it is for the users to satisfy themselves of the suitability of the product for their purpose.

Marine White Deicing Salt

SECTION 14 Transport Information

General information **The product is not subject to transport restrictions: - By road RID/ADR – By sea OMI/IMDG – By air OACI/IATA**

14.1. UN number

Not classed in transport of Dangerous Merchandise.

14.2. UN expedition name

Not classed in transport of Dangerous Merchandise.

14.3. Transport danger classification

Not classed in transport of Dangerous Merchandise.

14.4. Packaging group

Not classed in transport of Dangerous Merchandise.

14.5. Environmental dangers

- **Marine-IMDG pollutant** No.

14.6. Specific precautions to be taken by the user

No specific precautions (product not transport classified).

14.7. Loose transport complying with annex II of the MARPOL convention 73/78 and IBC collection

Not concerned.

SECTION 15 Regulatory information

15.1. Substance and/or mixture-specific regulations relating to health, safety and the environment

Ensure that all national and local regulations are adhered to.

15.2. Chemical safety evaluation

No information/data available.

SECTION 16 Other information

Marine White Deicing Salt

Revision

This SDS has been revised according to Regulation (EC) 2015/830.

Important Note: The information contained in this document is given in good faith and is to the best of suppliers Knowledge correct at the date of publication, but it is for the users to satisfy themselves of the suitability of the product for their purpose.
