

UltraSpeed

Performance made easy

Fill your bucket with energy

The microfibre UltraSpeed System sets new standards in usability, versatility, efficiency and ergonomics.

The benefits can be summarised in a single sentence: Performance made easy.

Ultraspeed is the answer!

UltraSpeed is based around an innovative wringer that simplifies the wringing of flat mops and is available in choice of starter kits including:

- 15ltr kit
- 25ltr wheeled chassis kit
- 25ltr bucket on wheels kit
- Voleo kart
- Origo trolley system

Hygienic and easy to use

- Modern professional design
- No training
- Choice of microfibre and safety floor mop pads
- Easy to control
- Removes the chances of splashing other surfaces
- Effective on skirtings, walls and staircases
- 50% lighter than kentucky systems
- Detachable chassis system reduces weight when emptying and filling

High Performance

- 60% faster than socket mopping
- 50% faster than kentucky mopping
- 35% faster drying
- Floors back in use twice as fast
- 35% faster removal of stubborn dirt
- Unique, changeable colour coding system
- Special mop pad for use on safety floors
